

THE LAND STEWARD'S CLIMATE CHANGE BINGO

Reduce/ eliminate biocide use	Walk your land	Replace annuals with perennials	Attend a field day or farm visit	Speak out on climate change
Cover more soil	Vote your values	Manage invasives	Plant a new species	Eliminate synthetic fertilizer
Learn your land's 1000- year history	Express gratitude	Take a break and relax	Reduce soil disturbance	Improve your record keeping
Talk to a neighbor about conservation	Make progress on legacy plans	Learn from fellow Climate Land Leaders	Reduce fuel use	Increase pollinator habitat
Donate to a conservation cause	Restore a wetland/ stream bank	Talk to your farming tenant about conservation	Complete maintenance (mowing, etc.)	Grow food
